BRIEF ABSTRACT OF LETTER

Mkd 2 It is not known if the
16/11/10 services of the Municipal
Clerk are utilized exclusively
for municipal work. If he does
any work for the Jaluger also,
there is no reason why the latter
should not be asked to contribute
towards his pay -

3 Then again, it is a question
whether the Clerk employed in
the President's Office is not entitled
to pension or eligible for Life
Insurance. Under Appendix B
to the Mysore Service Regulations,
all employees on the permanent
establishment of Municipalities
in the Mysore State are eligible
for pensions ~~allowances~~ or gratuities
except certain employees therein
specified - The Srirangam Munic-
ipality is apparently a Mun-
icipality within the State,
and in that case, the Clerk
seems eligible to pension under
the general rule, unless there
is any declared order to the contrary

The same is the rule as regards Life Insurance also (Vide para 30 of the Rules). Please put up previous references, if any, on this point -

4 The expenditure of the municipality is more than its income and consequently should ~~be~~ be reduced unless the municipality funds means for increasing its income -

8 It would appear that S. Iranga Sahayam Iyer continues to be the English Clerk of the Srirangam municipal Orderlies' Office. He does not seem to get any thing from the Jahagir funds in addition to his pay as Munsl Clerk. The Board have resolved that an English speaking clerk for the Orderlies' office is necessary & that until the present incumbent vacates the appointment it is not possible to reduce the clerks pay from Rs 25 Draft of a letter making the enquiry suggested is however submitted

Sir,

With reference to your docket no 750 dated 31st December last calling for circulation of the points noticed in letter no 5603/Rl 154-10-5 dated 22nd idem from the Secretary to Government General and Revenue Departments in re the reduction of establishment made for the pay of the English clerk of this Office, I have the honor to invite your kind reference to Resolution no 4 of the Board in its meeting held on the 15th instant, a copy of the proceedings of which was forwarded with the circular dated 19th idem and to state as follows.

1) The present incumbent is one B Narasaraja Iyer, an M A, who was entertained on Rs 20/- so far back as 1901 and has since received two increments of Re 2/- and Rs 3/- in 1903 and 1906 respectively:

(2) On Government ordering in their G O no 1278-9/Lr 105-95 dated 23rd September 1903 that the employees of this municipality cannot be converted into public Servants eligible for the benefits of pensions and other allied advantages from the State, he represented to me the several disabilities he would be led to labour under, seeing that the scope in the municipality was very limited & uniformly found him very obedient honest and discharge his duties to my entire satisfaction, and as a sort of encouragement, accordingly entrusted him in addition to his duties with the work of English correspondence relating to the Rahjes for which he was paid an

allowance of Rs 15/- from the Jahgirs funds in the commencement, which has since been raised to Rs 20/-

I am one with Government in thinking that in due regard to the present financial crisis of the municipality some curtailment might be made in the Charge in question The Jahgirs cannot however afford to lose the services of a long standing and experienced servant as the present incumbent who has been asked to continue his service in the municipality

Under the above circumstances, I have now arranged to draft the said Bhaskarasahayam Iyer on to the Agents' Office on a salary of Rs 35/- which will be supplemented by an allowance of Rs 15/- from municipal funds so as to put in Charge of the municipal work No further reduction can be made from the municipal allotment

Letter No. 412, dated 23rd April 1910 from the Deputy Commissioner of the Kadur District, submitting the Budget Estimates of the Sringeri Municipality for the year 1910 11.

No 10902-9—ML 407-09-3, DATED BANGALORE, 10TH JUNE 1910

ORDER THEREON —The estimates are sanctioned with the modifications noted below —

Items	Sanctioned estimate for 1909 10	Proposed estimate for 1910 11	Sanctioned estimate for 1910-11	Order
Receipts.	Rs	Rs	Rs.	
A 1 Octroi—				
(a) Articles of food or drink for men or animals—				
Cocoanuts fresh	450	550	500	The proposed estimates are too sanguine. They will be reduced as shown in column 4 with reference to the actuals for 1908-09 and the revised estimate for 1909 10.
Sugar	60	100	80	
Ghee	50	75	60	
(e) Tobacco	40	90	70	
A 9 (a) House tax	850	850	750	
D Grants and contributions—				
3 (c) Miscellaneous	1 427	1 560	1 457	The estimate has been reduced so as to show the moiety of the estimated receipts belonging to the Sringeri Mutt but temporarily made over as a grant in-aid to the Municipality
Expenditure				
C 4 (c) Other charges—				
Hire of carts	1 at 15=180	100	100	As it is proposed to use a hand cart for carrying rubbish instead of a bullock cart the reduced provision is allowed to stand though it is exceedingly doubtful that rubbish will be efficiently removed under the altered method
Total C	1 551	983	983	The total of the proposed estimates under C amounts to Rs 973 A provision of Rs 10 will be made under C 21 Miscellaneous other items to make up the total
E Contributions and grant in aid—				
1 Sringeri Matt	1 427	1,560	1 457	Vide remark against D Grants and contributions 3 (c) Miscellaneous under Receipts
F Miscellaneous—				
1 Interest on loan			425	Out of the provision of Rs 1 560 made for repayment of loan a sum of Rs 425 will be utilized for payment of interest on the balance of the principal due
G Public debt—				
1 Repayment of loans	1 427	1 560	1 135	

2 The estimates as sanctioned above stand as shown below —

			Rs
Opening balance			694
Receipts—		Rs	
Municipal share		1 458	
Matt share		1 457	
Contribution from Matt		1 457	
	Total	4 372	4 372
		Total	5 066
Expenditure			4 879
		Closing Balance	187

3 **The Municipal share (proper) of the income being Rs 1 458 the Municipality should have at least a closing balance of Rs 365 The expenditure of the Municipality exceeds the income by about Rs 500 and the estimated closing balance at the end of 1910 11, falls short of the prescribed minimum by Rs 178,**

notwithstanding the very low provision of Rs 105 under Public Works Government note that the provision of Rs 378 under Head Office is disproportionately high as compared with other Municipalities, where a Local Fund clerk on Rs 15 usually does both the Municipal and District Fund works The appointment of a clerk on Rs. 25 in the President's office is a luxury for this small Municipality, which pays also an allowance of Rs 3½ for a clerk in the Vice-President's office The abolition of the clerk's post on Rs 25 a month will materially contribute towards the maintenance of the proper balance The Deputy Commissioner is requested to commend this matter for the consideration of the Municipal Board
